We've been Keeping in touch...

Last week we all started working together to learn some new and different ways of keeping in touch!

Fee and James have been using Facebook Messenger to make contact with Members and to stay in touch as we all get used to this new world of self-isolating and social distancing.

Hopefully, this week, as we begin to rollout our new activity packs we will be working with Members on some new projects - which we will be sharing with everyone here in next weeks almost weekly newsletter.

Advice, Guidance, Resources, Help and Support
