We hope everyone had a peaceful, happy, safe and enjoyable Easter...

The holiday topic on our WT Facebook page was definitely the arts, with some lovely poems from our Writers Club members - one written by Rachael only last week!

You can 'hop' over and read it on our [WT Facebook page](#).

Tuesday 21st April we hope to bring you an online Youth Club disco with DJ!

Starting at 6.30pm.

## Easter Eggstravaganza!

On Easter Sunday, WT Trustee Emily delivered some of her special Easter treats - with a little help from a friend!

*"I started making Millionaires short-bread - I've never made it before - I also made two different flavours of cookies and then some simnel cake before making labels, cutting up and boxing everything.*

*Sunday morning came and my husband and I set off on foot on our route. We dropped off goodies to 14 different houses where our family & friends live.*

*I decided to dress up to make things a bit more interesting - we wanted to put smiles of the faces of everyone we saw that morning!"*

We're all probably missing something during our period of self-isolation and Eric Williams went to the rescue of one WT member, Thomas, last week with the delivery of ginger beer!

"Thomas, who's a big Liverpool fan, always brings a bottle around on a Sunday when he comes to watch the football and we are both really looking forward to the restart of the football season" said Eric.
