## Memories of Working Together...

**This week Thomas brought in a wonderful memory box to share with us. In it are lots of good luck cards that were sent to the Working Together Café when it first opened in 2002 - what lovely memories to look back on.**

Next year will be the 20th anniversary of Working Together. We'll be planning lots of events and celebrations for 2022.

We've started looking at bringing together all of the photos and memorabilia that we have collected over the years and putting these into albums that we can share.

We'd like to record everyone's memories of Working Together over the past 20 years. If you have memories, stories or photos that you would like to share, please get in touch.

## Rockspring Garden

Last year due to lockdown in the Spring we missed the opportunity to grow some things in the Rockspring Community Garden.

We're determined not to miss the opportunity this year.

This week (between rain storms) James and Julian have been outside digging over the WT vegetable patch in preparation and we're getting potatoes ready to plant soon.

## Writers' Club....

Over the next few weeks we will be sharing some of the non-fiction work Writers' Club members are working on. This week we're sharing with you Chloe's piece on America.....

### **America** by Chloe

*I went to LA which means Los Angeles to see my Cousin Lily get married.*
