

Working Together Ludlow

To include people with learning difficulties and disabilities

Almost Weekly News No. 42 - 06/07/2021

Covid Update...

As many of you will have heard yesterday, the Prime Minister has announced the government's intention to lift most legal restrictions on 19 July.

The Prime Minister also urged people and organisations to 'exercise judgement' and, for example, whilst wearing face masks will no longer be a legal requirement, it will be advisory in some settings.

At Working Together it's unlikely we will be relaxing all Covid measures straight away. Our first priority remains the safety and wellbeing of our members, volunteers and staff.

We will continue to follow guidance from the Public Health team at Shropshire Council, Social Care Institute of Social Care (SCIE) and from Public Health England as well as continuing with our own risk assessments.

These have been robust throughout the pandemic and we will continue to err on the side of caution.

Youth Club - A Sensory Evening...

At last week's Youth Club we were able to name the five senses and had fun doing things that stimulated them!

From making playdough and guessing things by touch- to smell tests and taste test it was fun to have a go at lots of different things.

We each made a homemade lava bottle too under Di's careful guidance. Glitter galore!

Youth club members loved seeing the football theme throughout Working Together too, great display all!

Euro 2020: Football's coming home...

The bunting's up, the flags are out and the wall chart's being filled as Euro 2020 is in full flow.

Members have created a small display reflecting all of the home nations - England, Scotland and Wales - who have been taking part in the delayed Euro 2020 tournament.

Girls on film...

We always love to see what our members are getting up to away from Working Together.

Chloe has sent us a picture of herself playing the part of Queen Astrid in film called The Cabinet of Secret Lives.

Fab work Chloe, we can't wait to see the finished film!

Thomas says C'mon England

Plant Sale Success...

Simon came to see us at WT recently to bring in the money he has raised through his garden gate plant sale.

The grand total came to £22

In the photo Chief Officer, Nigel, says thank you to Simon (front) for such a great effort.

We're supporting Carers Week

Members have been thinking about National Carers Week and how we can all say thank you to those who care for us.

This is an annual campaign to raise awareness of caring, highlight the challenges that carers face and recognise the contribution they make to families and communities throughout the UK

We've created a display that highlights the work of carers, both paid and unpaid, and we have collected photos of some.

On behalf of members, staff, volunteers and trustees, we would like to say a huge thank you to all carers - we really appreciate your commitment.

THANK
you
