## AGM 2021

RSVP Please...

We will be holding this year's AGM on Tuesday 23 November at 6.30pm in the Baptist Church at Rockspring.

Everyone is invited, but Covid restrictions mean we need to manage how many people we have in the building, so if you'd like to come please email:

## It's beginning to look a lot like a bumper Autumn issue...

We've been thinking at Working Together about some of the festivals that we celebrate in the Autumn. These include Harvest Festivals and Halloween.

We even managed to grow our own pumpkin at Rockspring!

We had fun carving pumpkins and we made a big display which included pictures, vegetable prints, harvest produce and poems written by our Writers' Club.

## Autumn *Continued...*

### Autumn Prayer *by Thomas*

And think about the trees  
Gather things in for the winter  
Remember God and wonderful things  
To nurture the trees  
And the water and the sea  
Remember when you pick apples from the tree  
One simple thing  
That we are part of autumn  
Remember the love of our natural world  
Eat and enjoy it  
Because it is out there.

### Autumn Poem *by Steph*

*As I sit by an open window  
I can hear the autumn winds  
And the pitter patter of the  
rain on my window  
And I can see  
The animals starting to hibernate  
And the frost forming on the ground  
As I sit by a warm, roaring fire  
With a mug of hot chocolate  
With marshmallows and cream in my  
hand  
Wearing my cosy, winter pyjamas.*

### It's Autumn Time *by Julian*

I walk to the churchyard  
See leaves on the ground  
And see squirrels running about  
And see falling leaves  
And see falling apples  
And see mushrooms in the fields  
Farmers put up scarecrows  
Scared crows  
And windy and rainy  
And raking leaves and Halloween  
People have parties  
And people drink hot coffee and hot soups.

## **Autumn** by Beth

All autumn colours  
Like orange, red  
Both go  
With each other  
To match up with the name  
autumn

AUTUMN

Red  
Orange  
Red  
Orange  
Red  
Orange.

## **Summer into Autumn** by Rachael

The sun rose up in the sky of copper haze  
The birds are singing gaily on the cherry blossom  
The autumn leaves are a-changing colours  
Tawny owls and badgers and fawns are walking in the woods

There was I sitting on a sun lounger in the back garden  
The plums and the apple tree and the purple haze  
That autumn is now here and the golden and the lemon and the orange  
Are the colours  
Are changing into autumn

And there is me, sitting by the log fire with a good book  
All curled up with a rug over me, in a comfy chair.

## **Youth Club Pizza & Planning Night - Great to be back after the summer break...**

We made pizzas from scratch (Lizzy had stuffed peppers as she hates pizza). It's fun kneading the dough and choosing what toppings we want!

Cheese grated on top is perfect... but don't ask Max about his cheese! Oops.

We shared ideas of things we would like to do at youth club and things we love in life, music seems to be a shared love for everyone!

**We're happy to welcome people to our café, but by telephone appointment only at the moment please**

# Ten Pin Bowling Night... STRIKE!!

Youth Club and Diversity met together this month at the Grove Bowling.

It was great to meet up and enjoy a game especially as we haven't seen some pals for such a long time.

Some of us were definitely pro's at bowling with Nate getting 3 strikes in the Youth Club lane! WOW!!

It was great cheering everyone on and support each other on with just a bit of competitive banter.

Thanks also to Alan for sorting out a visit to the Golf Club for food - we had a lovely private dining experience.
