

WTs 20th Anniversary - Memories Form

2022 is Working Together's 20th anniversary year and we're planning lots of events and activities to celebrate. One of these activities is to record the memories of those who have been involved in Working Together over the years and to help us do this we have created this memories form.

What is your name?
When did you first get involved with Working Together?
Tell us how and why you became involved with Working Together?
What changes have you seen at working Together over the years?
Tell us some of your favourite memories of Working Together?
When Working Together started in 2002 good luck messages were collected and kept in a special box. Would you like to leave a message for Working Together for the future?

Thank You
