Royal Invitation Response

Some time ago Thomas wrote to the Duke and Duchess of Cambridge inviting them to attend our 20th Anniversary Garden Party in September.

They have replied to say that, unfortunately, they aren't able to attend, but were *"delighted to hear about the wonderful work being done by Working Together."*

A HAPPY NEW YEAR EVERYONE!

This year is the 20th anniversary of Working Together and we're planning lots of events and celebrations - including a very special 'Garden Party' on 24th September 2022.

We've been bringing together photos and memorabilia that we have collected over the years and putting these into albums that we can share. We will be adding to this archive throughout the year and if you have any pictures of Working Together please get in touch.

We'd like anyone who has been involved with WT over the past 20 years to complete a memories form - which will be added to the archive - forms are available from Working Together or from our website: www.workingtogetherludlow.co.uk/memories

Over the next 12 months, our newsletters will include special anniversary articles, including blog posts from people who have been or are currently involved with WT. Looking ahead Nicola, our Chair of Trustees, and Nigel, our Chief Officer will share their thoughts about the future ambitions for Working Together. For more anniversary info visit our website: www.workingtogetherludlow.co.uk/anniversary

We are extremely grateful to all who have been involved with Working Together over the past 20 years, to make it what it is today, and we're looking forward to celebrating throughout 2022.
